

Check ride Tips from the Examiner

Wayne Phillips works for the FAA at the Great Lakes Regional Office and, as a national resource, travels the country administering check rides. This will be a "nuts-and-bolts" discussion on the infamous FAA check ride. So, learn how to prepare for success, hear about common errors, and get an understanding of the applicant/evaluator dynamic.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
